A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as whole. Accordingly, we do not express such an opinion.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the consolidated financial statements that are free from material misstatement whether due to fraud or error.

Accountants' responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the consolidated financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountants' conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying consolidated financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Supplementary information

The supplementary information included in the consolidating schedule of financial position and the consolidating schedule of activities are presented for purposes of additional analysis and is not a required part of the basic consolidated financial statements. Such information is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The supplementary information has been subjected to the review procedures applied in our review of the basic consolidated financial statements. We are not aware of any material modifications that should be made to the supplementary information. We have not audited the supplementary information and do not express an opinion on such information.

BRICK BY BRICK PARTNERS
Notes to the Consolidated Financial Statements
December 31, 2018

Note 1 Organization

Brick by Brick Partners (“Brick by Brick”) is a nonprofit organization, incorporated in the State of New York on July 9, 2004. Brick by Brick is an innovative partnership that develops and tests entrepreneurial, inventive approaches to business, healthcare and education. Brick by Brick’s major program is to provide on-going support to Brick by Brick Uganda (BBBU), a Ugandan non-governmental organization whose mission is to create vital partnerships with Ugandan communities that improve education, health and economic opportunities. BBBU improves the quality of maternal and newborn care at 25 public health facilities, improves education by rebuilding primary schools and building the capacity of school libraries and keeps girls in school through comprehensive sexual and reproductive health education.

Brick by Brick Construction Ltd. (“BBBC”) was incorporated in Uganda on August 16, 2012 and carries out construction business using environmentally friendly technology. Brick by Brick has a 99.99% ownership interest in BBBC. The remaining .01% interest is owned by the Executive Director of Brick by Brick.

From here on, Brick by Brick and BBBC will be referred to as the “Organization”.

Note 2 Summary of significant accounting policies

Principles of consolidation. The financial statements are consolidated to include the accounts of Brick by Brick and BBBC. All significant intercompany transactions and balances have been eliminated in the consolidation.

Basis of accounting. The consolidated financial statements of Brick by Brick are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Financial statement presentation. Brick by Brick reports information regarding its consolidated statement of financial position and consolidated statement of activities according to the following classes of net assets based upon the existence or absence of restrictions on use placed by its donors:

Without restriction – represents all activity without donor-imposed restrictions.

With restriction – represents contributions with donor stipulation that make clear the asset’s restriction either be met by the actions of the organization or the passage of time. Net assets released from restriction represent the satisfaction of the restricted purposes specified by the donors.

Use of estimates. The preparation of consolidated financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and the

accompanying notes. On an ongoing basis, management evaluates the estimates and assumptions based on new information. Management believes that the estimates and assumptions are reasonable in the circumstances; however, actual results could differ from those estimates.

Functional allocation of expenses. The costs of providing the various programs and supporting services have been summarized on a functional basis in the consolidated statement of activities and in the consolidated statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide for the overall support and direction of management.

Foreign currency. The U.S. dollar is the functional currency of Brick by Brick. Transactions in currencies other than dollars are translated into dollars at the rates of exchange in effect during the month of the transaction. Property and equipment purchases with non-U.S. currency are translated into dollars at the exchange rate in effect at the time of purchase.

Assets and liabilities denominated in non-U.S. currency are translated into dollars at the exchange rate in effect at the date of the balance sheet. The net exchange gain from foreign currency totaled \$126 for the year ended December 31, 2018.

Concentrations of credit risk. Brick by Brick maintains cash in bank deposits which, at times, may exceed the current insured amount under the Federal Deposit Insurance Corporation (FDIC). At December 31, 2018, Brick by Brick's cash balances did not exceed the current insured amount under. Brick by Brick has not experienced any losses in such accounts and believes it is not exposed to any significant financial risk therein.

BBBC has cash and cash equivalents of \$8,034 equivalents held in Ugandan bank accounts as of December 31, 2018. Such amounts are not subject to FDIC coverage.

Accounts receivable. Receivables are discounted using the effective interest rate, less any impairment. Interest income is recognized by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial. When a receivable is considered uncollectable, it is written-off against the allowance account. Subsequent recoveries of amounts previously written-off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognized in the profit or loss. As of December 31, 2018, BBBC has determined that no allowances were need for the receivable.

Equipment. Equipment is stated at historical cost less accumulated depreciation and any impairment in value. Repairs and maintenance are expensed during the financial period in which they are incurred. Depreciation is calculated using the straight-line method using the following useful life:

	<u>Useful life</u>
Computer	3 years
Press machine	5 years

Equipment	3 years

Deferred revenue. Represents amounts received from customers before the Organization performs on the contracts.

Contributions. Unconditional contributions, including promises to give cash and other assets, are reported at fair value at the date the contribution is received. The gifts are reported as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions.

Uncertainty in income taxes. Brick by Brick is exempt from federal and state income tax under the provisions of Section 501(c)(3) of the Internal Revenue Code; therefore, no provision for income taxes has been made in these financial statements. Brick by Brick has also been classified as an entity that is not a private foundation within the meaning of Section 509(a) and qualifies for deductible contributions as provided in Section 170(b)(1)(A)(vi). Brick by Brick applies the provision of FASB ASC 740, on Income Taxes, which provides standards for establishing and classifying any tax provisions for uncertain tax positions. Tax filing periods December 31, 2015 and later are subject to examinations by appropriate tax authorities. BBBC, as a Ugandan commercial entity, pays taxes when deemed necessary. BBBC is not subject to U.S. taxes.

Change in accounting principle. On August 18, 2016, FASB issued Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for Profit Entities. The update addresses the complexity and understandability of net asset classification, efficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. We have implemented ASU 2016-14 and have adjusted the presentation in these consolidated financial statements accordingly.

Note 3 Liquidity and availability

Note 6 Foreign operations

BBBC operates outside the United States in Uganda. Foreign operations are subject to risks inherent in operating under different legal systems and various political and economic environments. Among the risks are changes in existing tax laws, possible limitations on foreign investment and income repatriation, government price or foreign exchange controls, and restrictions on currency exchange.

Note 7 Subsequent events

Management evaluated its December 31, 2018 consolidated financial statements for subsequent events through November 12, 2019, which is the date when the consolidated financial statements were available to be issued. Management has determined that there are no subsequent events that require additional recognition or disclosures in the consolidated financial statements.
